

SONOMA SKYPARK NEWS

NOVEMBER 2016

Happy Thanksgiving! – this is a short newsletter.

First of all, some sad news regarding Skypark pilots: **JACK CALDWELL** admitted himself to Queen of the Valley Hospital on Friday the 11th. Jack is experiencing heart problems and has been in and out of the hospital since then – we will have up-to-date information on Jack at the airport office.

RICH COOPER is in the ICU at Queen of the Valley Hospital today (Tuesday, Nov 22nd) and is recovering from a serious fall from a ladder on the 20th. Nelleke will keep us updated on Rich's status and visiting plans.

I hope the rest of the Skypark population is healthy and enjoying the Thanksgiving season!

I want to make a special appeal for help with our **Christmas Party**.
